

**National Metering Services, Inc.  
Contractor for Haledon MUA**

Please be advised that the Haledon MUA is upgrading its water meter system. Our contractor, National Metering Services, Inc ( NMS) will be installing meters in your area during the next three weeks. The new meters will be read by radio transmitter. This service is free of charge if the work is completed as part of this contract. Access to your home to install the new meter and radio equipment will be required. Within one week of this notice, NMS' installers will be soliciting from door to door. In the event you are not home you will be left a door hanger to call for an appointment. NMS installers are required to have identification Badges displayed at all times and to be in uniform.

**All meters must be changed without exceptions.**

Upon receipt of this notice, you may call to schedule an appointment. For more project information or e-appointment scheduling, please visit National Metering Services, Inc's website at, [www.nmsnj.com](http://www.nmsnj.com).
